

# Celeste Retains Brisco Capital Partners for Investor Relations Services

Friday August 15, 9:00 am ET

CALGARY, ALBERTA--(Marketwire - Aug. 15, 2008) - Celeste Copper Corporation (TSX VENTURE:[C](#) - [News](#); "Company") is pleased to announce that it has retained the services of Brisco Capital Partners Corp. ("Brisco") to provide investor relations services, subject to regulatory approval. Brisco will initiate and maintain contact with the financial community, shareholders, investors and other stakeholders for the purpose of increasing awareness of the Company and its activities. Brisco takes a full service approach to investor relations and provides creative, effective results-driven investor relations programs for Canadian public companies.

The agreement is effective immediately, and may be terminated by either party at any time. Brisco will be paid a monthly fee of \$5,000, and will be granted 300,000 options to purchase common shares, each option exercisable at \$0.20 per share.

"We are pleased to be working with the management team at Celeste in growing their investor following in what looks to be a very promising project" states Gordon Aldcorn, Partner in Brisco. "The historical results to date and the year round capability coupled with ready access to local infrastructure are very positive elements for Celeste moving forward."

Celeste Copper Corporation is exploring a World class Copper, Gold and Silver prospect in the Atacama Desert of Chile within proximity of the Candelaria and Refugio open pit mines. A NI 43-101 was completed on the property in late 2007 and surface work has included a decline ramp and bulk sampling and metallurgical testing. A reverse circulation drill program was also completed on the property in 2007. The property enjoys ready access to power and water and is in close proximity to a skilled workforce. The property has year round access.
